WHO IS COVERED

SLP's warranty obligations for the SLP Supercharger Kit(s) identified above is limited to the original owner of the vehicle in which the SLP Supercharger Kit is installed and who has submitted payment, the warranty registration card, and proper documentation in order to activate this warranty. This warranty is not transferable to a second owner and is secondary to all other warranties and manufacturers' recalls that may be in effect. The term "Supercharger Kit(s)" as used in this warranty applies to each SLP Supercharger identified above.

WARRANTY PERIOD

The Warranty Period for the 92000A, 92020A, and 92025A SLP Supercharger Kit(s) are as follows:

- 3 years or 36,000 miles from the vehicle's original in-service date.

WARRANTY COVERAGE

When an SLP Supercharger Kit(s) is correctly and completely installed by a certified General Motors automotive technician or automotive service technician certified by the Institute for Automotive Service Excellence (ASE) on an eligible, legally registered and licensed vehicle with an operational odometer, SLP[®] will cover defects in materials and workmanship during the Warranty Period, as solely determined by us.

Below are those vehicle components covered and not covered under this warranty:

- **ENGINE COMPONENTS**

COVERED: Pistons, piston rings, piston pins, crankshaft and bearings, connecting rods and bearings, camshafts and bearings, timing chain and gears, intake/exhaust valves and seals, valve springs, oil pump, push rods, rocker arms, rocker arm shafts, and lifters. If a failure of any of these parts damages either the engine block or cylinder heads, a remanufactured long block assembly will be provided up to the maximum coverage of \$7,500.00.

NON-COVERED: Those engine components specifically not listed including, but not limited to, parts, filters, etc., that are required to be replaced as a part of the vehicle's normal maintenance schedule are not covered under this warranty.

- **TRANSMISSION COMPONENTS**

COVERED: Torque converter, oil pump, governor, bands, drums, planetaries, shaft(s), sprag(s), bearings, shift rail(s), fork(s), and synchronizers.

NON-COVERED: All-wheel drive vehicles are excluded from transmission coverages under this Warranty. Failure of related parts external to the transmission that cause a transmission claim, including but not limited to, transmission coolers, levers, controls, etc., void coverage under this warranty.

- **REAR AXLE COMPONENTS**

COVERED: Rear axle, ring gear, drive pinion, pinion shaft, side gears, bearings, bearing cap, washers, slinger, axle shaft, housing and housing cover.

- **TRANSFER CASE COMPONENTS**

COVERED: All internally lubricated parts of the transfer case are covered under this warranty.

NON-COVERED: The transfer case housing is not covered under this warranty.

When you present us with a valid, properly documented warranty claim during the Warranty Period, SLP[®] will replace the defective component(s) covered by this warranty or, at our option and sole discretion, refund the purchase price you paid

for the particular SLP Supercharger Kit(s) purchased. We reserve the right to improve or modify the SLP Supercharger Kit(s) without assuming any obligation to update or replace any previously manufactured or sold SLP Supercharger Kit(s).

OUR TOTAL LIABILITY PER COVERED VEHICLE UNDER THIS WARRANTY IS LIMITED TO \$11,500.00 (AGGREGATE). EACH COVERED COMPONENT HAS ITS OWN AGGREGATE VALUE WHICH WHEN COMBINED EQUALS THE TOTAL LIABILITY PER VEHICLE. THE ENGINE IS COVERED FOR \$7,500.00, \$2,000.00 PER TRANSMISSION, AND \$1,000.00 PER REAR AXLE. VEHICLES EQUIPPED WITH A TRANSFER CASE RECEIVE \$1,000.00 COVERAGE ON THESE COMPONENTS. VEHICLES WITHOUT A TRANSFER CASE FORFEIT ANY CASH REFUNDS OR REPAIR CREDITS. THESE AMOUNTS CANNOT BE COMBINED TOGETHER TO AID IN THE REPAIR OF ANOTHER COVERED COMPONENT. IN THE RARE CASE WHEN THE REPAIR COST EXCEEDS THE ACTUAL CASH VALUE OF THE VEHICLE, WE WILL REFUND THE PURCHASE PRICE OF THE SLP SUPERCHARGER KIT(S) ONCE THE COMPLETE KIT IS RETURNED PREPAID TO US.

A replacement SLP Supercharger Kit(s) or component(s) that has been installed in accordance with our instructions, assumes the remaining warranty of the original replaced. If an SLP Supercharger Kit(s) or any of its component(s) is exchanged, the replacement becomes your property and the returned SLP Supercharger Kit(s) or component(s) becomes our property.

OBTAINING WARRANTY SERVICE

- To obtain warranty service on your vehicle upfitted with the SLP Supercharger Kit(s), the vehicle must have an operational odometer and have maintenance services performed at the intervals as stated in the General Motors vehicle maintenance schedule, either at a General Motors dealership or commercial maintenance center. You

must present these invoices in the unlikely event of a warranty claim; therefore, we strongly recommend that you retain them for your records.

- You **must** submit copies of the following documents with your warranty claim: (a) your warranty registration form, (b) the receipt showing installation of the SLP Supercharger by a certified General Motors Automotive Technician or ASE automotive service technician, and (c) all requested vehicle maintenance records.
- ***YOUR FAILURE TO CONTACT US AND RECEIVE AUTHORIZATION BEFORE ANY REPAIR WORK IS PERFORMED WILL INVALIDATE YOUR WARRANTY CLAIM.***
- If a warranted component has failed, please contact us immediately at 1-855-SLP-PERF (1-855-757-7373). You **must** authorize the repair facility to tear down the component for inspection before we authorize the repair or replacement of a failed component covered by this warranty. If the failed component is not covered under this warranty, the tear down and subsequent repair or replacement costs are solely your responsibility.
- An ASE certified repair facility **must** complete the repair or replacement based on the written estimate they provide to us. We base labor rates for repair or replacement services on OEM labor time standards.
